YWGS Fund-raising Performance - Alice

Alice

1st March, 2010

Dear parents, alumnae and friends,

It is our great pleasure to invite you to *ALICE*, a musical performance to celebrate the 110th anniversary of Ying Wa Girls' School. The performance will take place on **24th July, 2010 (Saturday)** at Lyric Theatre, **Hong Kong Academy of Performing Arts**. It will also be one of the major fund-raising events for the school's Redevelopment Project.

2010 is certainly a significant year in our school history. For over a century, Ying Wa has provided excellent education for young women. It is her dedication to education and preservation of a fine tradition that makes her one of the most respected schools in Hong Kong. To maintain this academic excellence, work has already commenced to create a new blueprint for Ying Wa's future development. Our vision is to build a new school campus which is equipped with updated facilities and provides ample space for students' exploration.

ALICE the Musical is specially written to celebrate this occasion. With over 200 students involved in this large-scale performance, it is surely going to be a memorable event for all. We appeal to your generosity to support this fund-raising event and to share our joy and aspirations as we take up the daunting, yet inspiring task of bringing Ying Wa to a new stage.

Information about the performance and tickets is attached for your reference. With your contribution, our goal of transforming to a school of the future will be possible. We look forward to seeing you at the fund-raising performance in July. God bless you all.

Yours sincerely,
