Story 1

「校友大使團隊」

自2006年起，校友會為了加強跟校友的聯繫，組成了「校友大使團隊」，團隊陣容鼎盛，多達百人，至今負責聯絡三千多人的校友。有一次，大使從校友的丈夫得知校友的離世，立即安慰對方，並更新校友會紀錄。自此，該校友之丈夫多次主動支持學校活動、重建計劃及設立獎學金。在「校友大使」的努力和聯繫下，學校跟不同屆別的校友「重新連線」，可謂居功至偉！

Story 2

「身遠心不離」

移居美國的80年代校友，由於種種原因未能返港。她的父母每年回港省親、掃墓。近年，這對家長皆代表女兒探訪母校，多次慷慨捐獻，支持學校各項活動及重建計劃。

Story 3

「感恩圖報」

熱心校友退休後捐出大部份退休金，支持重建計劃。其慷慨之舉出於對母校的感激之情。話說，當年老師知悉她的家境困難，於是鼓勵她申請學費減免，她因此而深受感動。及後她在工作上發展不錯，覺得應該回饋母校，以報恩情。

Story 4

"This is all I can afford"

一位單身的年長校友，雖經歷雷曼迷債的虧蝕，仍捐出養老金，支持重建計劃，信函中提到："This is all I can afford."

Story 5

「身體力行，彰顯基督的愛」

曾隻身遠赴外地的傳教士，雖然經濟條件並不富裕，但仍捐獻母校，支持重建。

Story 6

「樂善好施」

校長有一位朋友，她不是英華校友，但仍落力向朋友勸捐及推銷磚券。有一次，被別人批評：「別人學校籌款，學校及校友會負責，不需要你多管閒事！」在她而言，這平常不過，為的是支持朋友及基督教教育。經她的努力，前後多次共籌得港幣及人民幣逾一萬元。

Story 7

「善心無價」

校長的教會好友是一名的士司機，生活並不豐裕，但慷慨捐輸。
2011年政府派發6,000元時，他便將一半金額，捐給學校作重建之用。

Story 8

「神秘的捐款人」

學校收到一張一萬元的支票，但捐款者未有表明身份。學校幾經聯絡，得悉對方為一名小六學生的家長，曾來英華參加升中簡介會，得知學校重建計劃，亦十分認同英華的教育理念，於是捐獻支持。至於其女兒最後有否申請入讀英華，這位家長不願透露，以示公正及避嫌。

From an S6 graduate
Dear Mrs Lee, 20 August 2012

Being a 2012 S6 graduate, I am writing to extend my heartfelt thanks to Ying Wa.

I might seem an anonymous student at school and had few outstanding ECA or academic records. However, deep down my heart, I am very grateful that the school has always provided us a safe haven and hub for learning. Not only did Ying Wa teach us how to excel in academics, but also how to be a graceful lady.....

Apart from the exceptional teachers I encountered in Ying Wa, I have also made best friends here whom I share my joy and sorrow with.

Ying Wa has taught me invaluable lessons in how to live a bright and beautiful life. I sincerely hope that the tradition of assemblies and speeches can be passed on for generations. Sometimes you won't know how influential a speech or an assembly can be until we rewind our life.

Enclosed please find my insignificant donation to the school's redevelopment project as a token of thanks to the priceless years in Ying Wa. The money is actually my first ever salary (to be precise, my allowance) to the internship I had this summer. I wish every success of Ying Wa and I will pray for a wonderful new campus for my "師妹".

I had never imagined how significant and influential Ying Wa would be until after graduation. The feelings are indescribable in words.

2 申請獎學金用以支持重建

January 2013
Dear Mrs Lee,

I am a graduate in the class of 2011-2012 and am now studying in the university. I am writing to see if you can help me write a letter in support of a scholarship I am now applying..... One of the reasons for applying such a scholarship is that I would like to donate part of it to the school redevelopment project.

March 2013
Dear Mrs Lee,

I have just received an academic scholarship and would like to donate part of the total amount for the Redevelopment Project. I am planning to come back to Ying Wa the coming Tuesday (19th March) at around 12:30-12:45pm. May I know if I should hand in the cheque in the office or are there any other required procedures?

3 學會分享 (捐款後感言)

June 2013

Dear Mrs Lee,

In fact, it takes me years to learn how to share my property with others and I am still learning (especially when I was young, it was hard for me to share toys with my sibling or family friends).

4 畢業生感言

March 2014

Dear Mrs Lee,

Speaking of what Ying Wa has given to me, I want to give something in return. I hereby present you...(drum roll please)... MY ASSET OF \$500 LOL! I know I know. This is awkward, weird and pathetically insignificant. But this is actually my scholarship last year for some reason.

For the protection of my anonymity, I had it taken out of the envelope after 1 full year. I believe there is a fund or something for the redevelopment project? I reckon there is where I want it to be used for, but I'm proud to just hand it to some teachers. But if not, (then this is really awkward lol) Salvation Army or other charity will do just as fine. Or maybe have a massage or a spa!! lol Girls need to be spoiled sometimes heehee ^.^.

Anyways, this the very least that I can do to thank Ying Wa, and you in particular, Mrs Lee, really, thank you.

Dear Mrs. Lee

Nice to meet you. I am from Class 1C. I am the treasurer of the class. This year, I really thank for your love and care.

As this is the end of the school year, we have to deal with the remaining class membership fee. While we are deciding the usage of the money, some classmates in my class suggested to spend it for the school redevelopment project. Unfortunately, most of them disagreed. Therefore, here is the money from the students who are willing to donate.

We know that actually this is not a big amount, but we all want to lend a hand to the school. We all believe that 'It is more blessed to give than to receive', that is why we decided to donate it instead of receiving the whole amount by ourselves. Therefore, I hope you would be glad to receive it. Would you please transfer it for us? Since, I am not quite familiar how to deal with it.

We are going to pray more for the school. I hope the project will be successful and we can start our school life in Robinson Road soon.
