

Toastmasters Speech Contests

On 7th December, the Toastmaster Speech and Table Topics Contests were held in room 705-707 at our Sham Shui Po Campus. The contests are held every year and allow students who participated in the Toastmasters Youth Leadership Program to demonstrate their communication and leadership skills. There were thirty-eight contestants from secondary two to four, nine student workers and ten judges, one of whom was our principal, Mrs. Ruth Lee, while the others were from Toastmasters International. The contest provided an opportunity and platform for students to shine and share their wonderful speeches with the audience.

The contest was divided into two sessions: Prepared Speech and Table Topics. Due to the large number of participants, the Prepared Speech and Table Topics session were each divided into two rounds. Eighteen students took part in the Prepared Speech Contest while twenty students participated in the Table Topics Contest.

The winners for the Prepared Speech Contest were Maggie Zhang, Vienna Lee, Kailee Poon, Ruby Ng, Hebe Wong, and Sophia Chan. The winners for the Table Topics Contests were Skye Chong, Chloe Lun, Kelly Lam, Jacqueline Ho, Queenie Leung and Isis Leung.
